ALL COUNTY LETTER NO. 80-46 (FAMILY & CHILDREN'S SERVICES)

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: ALLOCATION FOR 24-HOUR SOCIAL SERVICE RESPONSE

REFERENCE:

A FY 80/81 budget of \$7,929,319 has been approved for the statewide 24-hour CPS emergency response system. Funding has been increased for FY 80/81 to further increase the level of 24-hour emergency response services and to encourage the use of backup services. Counties will be required to match these funds with the usual 25 percent county share of cost.

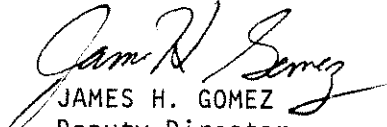

County allocations of emergency response funds have been developed in a manner similar to last year's method. All counties' allocations include a base amount. The FY 80/81 base amount has been increased to \$10,000. The remainder of the \$7,929,319 has been divided on the basis of the number of children in each county aged 0 through 17. Individual county allocations are attached.

The department has expanded time study instructions for the claiming of emergency response costs. Some activities previously unallowable as emergency response charges may now be claimed. Specific claiming instructions were transmitted in All-County Letter 80-39 dated June 26, 1980. If an emergency response plan has not yet been submitted or approved by this department, emergency response funds cannot be used for reimbursement. Counties considering expansion of their program should assess the need to revise plans previously submitted. Additionally, counties which received one-year waivers should request extension of the waiver if it is still necessary.

The department is pleased with progress made toward full implementation of this very important system and committed to the successful implementation and provision of emergency child protective services to all families in California.

Family and Children's Services Branch staff are available to answer questions and/or provide technical assistance as necessary. Please contact your assigned Program Operations Bureau Field Representative with questions or requests relating to plan amendments and implementation at 744 P Street, MS 9-104, Sacramento, California 95814, (916) 445-7653 (ATSS 485-7653).

Sincerely,

  
JAMES H. GOMEZ  
Deputy Director
